THINGS TO KNOW

- The monthly bills are prepared by the Columbus Utilities located at 950 Maple Avenue . Their telephone number is: (920) 623-5912. Payments can be made either at the Columbus Utilities offices or at City Hall. They are not accepted at the Public Works Department.
- A late fee of 1% per month is applied to any payment that is not paid within 20 days of issuance. The late fee is applied to the unpaid balance including any unpaid late payment charges. This late fee is applicable to all customers. A written notice may be given to the customer that the bill is overdue no sooner than 20 days after the bill is issued.
- Certain substances are harmful to the sanitary system and have an adverse effect on the Crawfish River, could endanger lives or public property. Do not discharge phosphorus, oils, grease, certain cleaning solutions or things like paint down into your system. When in doubt call the Sewer Utility or the Public Works office and ask. It is much easier to prevent a potential back up or poisoning by calling first.
- It is mandatory that each parcel of land with a building used for human occupancy or work be connected to the system. All costs and expenses related to the installation and maintenance are to be borne by the property owner. More information can be obtained by contacting the City building inspector.
- All users shall keep their own service pipes (laterals) in good repair and protected from frost at their own risk and expense.
