CERTIFICATION AND AGREEMENT

Receipts for charger and installation must be submitted with application.

I understand that this offer provides a \$250 incentive (varies for Commercial) for a Level 2 or 3 EV charger at a customer currently receiving electricity on a retail basis from a locally owned electric utility served by WPPI Energy ("Utility").

Utility makes no warranties, expressed or implied, with respect to any equipment purchased and/ or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall the Utility be liable for any incidental or consequential damages.

I understand that this program has a limited budget, and that applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I certify that all statements made in this application are correct to the best of my knowledge and agree to the Utility's confirmation visit of installed EV charger. I agree to the terms and conditions of this offer as set forth on this application.

RESTRICTIONS

Electric Vehicle charging stations must be listed as UL (Underwriters Laboratories), ETL (Electric Testing Laboratories), or Energy Star certified.
